

SCHOLAR

Online courses for schools across Scotland

Why SCHOLAR?

High quality online courses

Interactive and engaging online courses for schools across Scotland. National 5, Higher and Advanced Higher learning material available for over thirty SQA courses.

Independent learning

Study independently, anytime, anywhere. Courses can fit around school schedules, with short activities, clear goals and compelling content to encourage students to progress independently.

Instant feedback

Varied and valuable activities, tests and quizzes offer instant feedback to help improve critical thinking, reasoning and learning skills, allowing students to practice and build confidence.

Progress reports

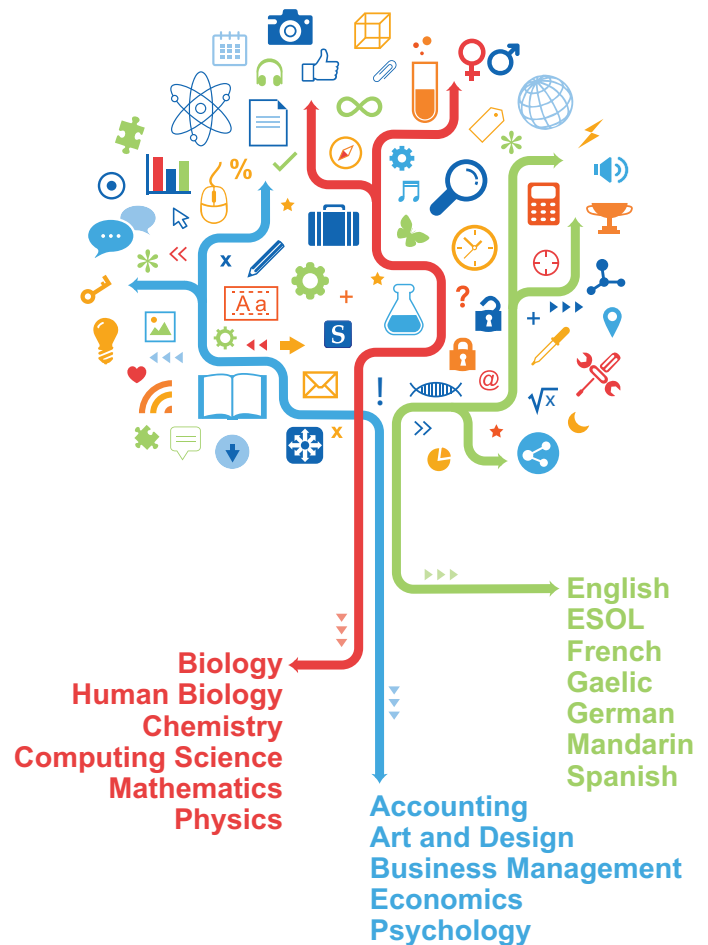

Monitoring students' progress with the reporting system enables teachers to help guide the way students learn and develop.

Live homework sessions

Live homework sessions encourage social learning and discussion, helping students to make fresh discoveries and form new ideas.
